Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the JSU Additive Manufacturing Training and Innovation Lab in fiscal year 2024. The entity to receive funding for this project is Jacksonville State University, located at 700 Pelham Rd N, Jacksonville, Alabama, 36265. The funding would be used for the addition of an additive manufacturing training and innovation lab.

The project is an appropriate use of taxpayer funds because it would provide a training facility for a rural and underserved district. The project has a Federal nexus because the funding provided is for purposes authorized by section 272 of title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Mike Rogers". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.
